

The mindshare Awards is a poetry and creative writing competition presented by mindshare, the Mental Health Coalition of SA, Writers SA and Access2Arts.

The competition is an opportunity for South Australian writers with lived experience of mental illness to share their stories, showcase their skills, discover new creative communities, and connect with industry professionals.

In 2021, we are offering four year-long Writers SA memberships for our category winners, and a \$100 gift card for any Writers SA resources or services!

Winners will also receive a mindshare Awards plaque, \$50 gift voucher, and the opportunity to be profiled and interviewed on the Access2Arts website.

Shortlisted entrants' work will be displayed across Adelaide City Libraries in October as part of the MHCSA's Mental Health Month mindshare Exhibition.

For more information on how to enter, head to mindshare.org.au/mindshare-awards, or email mindshare@mhcsa.org.au
